SUMMARY DECISION SHEET

Purpose: Commissioner Decision – DL|358

Timing: Routine

Title: Contract for Domestic Abuse Perpetrator Support

Category of Decision / Business Area Impact: Commissioning

Executive Summary:

VAWDASV has been identified as a global public health problem with far-reaching impacts. Within the UK, the Domestic Abuse Act was introduced in 2021, including the new offence of coercive and controlling behaviour.

The VAWDASV Act was earlier introduced in Wales in 2015 and was followed by the publishing of a strategy document covering the years 2022-2026. Each region in Wales is also required to develop its own regional strategy. The Mid & West Wales Regional VAWDASV Partnership is comprised of local authorities, health boards, police, probation services, and other partners.

In support of this strategy, the specification and tender documentation for Domestic Abuse Perpetrator Support was generated in partnership with the Police and Crime Commissioners office. An evaluation of previous pilot provision was undertaken, including feedback from stakeholders and service users. Supplier engagement was conducted prior to tender publication in support of specification development and due considerations of the supplier market. The tender opportunity was advertised on Sell2Wales and through the Official Journal due to the contract value being over the tender threshold, therefore an FTS tender was required. Tender responses were submitted and evaluated through complying with procurement legislation. As a result of concluding a compliant evaluation it is recommended that the contract for the provision of Domestic Abuse Perpetrator Support is awarded to the consortium ARC (Awareness, Relationship and Communication) led by Threshold DAS for a period of three (3) years, with up to two (2) annual extension periods. Threshold DAS demonstrated that they offered an economically advantageous and technically compliant solution as well as being the incumbent providers on behalf of the Partnership.

Recommendation:

The PCC approved the recommendation to award the contract for Domestic Abuse Perpetrator Support to the consortium ARC (Awareness, Relationship and Communication) led by Threshold DAS the total cost for the provision over the initial three (3) year period is £608,480.52. The DPP contribution for the same term is £60,848.05 due to annual uplifts.
