## SUMMARY DECISION SHEET

**Purpose:** Commissioner Decision – Ref. DLI287

**Timing:** Routine

**Title:** WDAIIN conference 2023 financial support

**Category of Decision / Business Area Impact:** Finance

### Executive Summary:

The Wales Data & Analysis, Improvement and Innovation Network (WDAIIN) is chaired by the Police and Crime Commissioner. A partner network of the Safer Communities Board, WDAIIN provides leadership, oversight and direction between all partners regarding data analysis to support safe, strong and more confident communities.

The Network plans to host a practitioner focused conference on 8 March 2023 to progress data sharing across public services in Wales. Welsh Government has agreed to support the event, contributing £2,000 to the total cost. As the work of the Network directly supports the Commissioner’s vision for a Dyfed-Powys of safe communities, the PCC has agreed to fund the remaining cost of hosting the conference, estimated to be a further £2,000.

### Recommendation:

That the PCC contributes to the cost of hosting the WDAIIN 2023 conference to the value of £2,000.
